

GEORGIA

Is this where the auditions are being held?

SALEM

Uh...I guess.

GEORGIA

Great! I can't tell you how excited I am for this. I haven't been able to stretch my theatre "wings" since high school. Get it? Wings? Y'know, Fairy Godmother. Cinderella.

*SALEM chuckles awkwardly.*

GEORGIA (*Cont.*)

Oh! You must need help setting up. Let me get that for you.

*GEORGIA sets up the chairs that SALEM just restacked and chatters happily to herself, quietly though, so that the audience can hear SALEM panicking.*

SALEM

Okay, think. What did we talk about in class today? Something about (*long pause*) theatre? This is hopeless.

GEORGIA

Hopeless? Nothing is ever hopeless!

SALEM

I'll keep that in mind.
