

PARKER

I probably should get going. These lines aren't going to learn themselves.

LUNA

Yeah, you're the King right?

PARKER

Yep.

LUNA

I thought you'd be more enthusiastic.

PARKER

Well, I'm not.

LUNA

Nerves?

PARKER

Uh-huh.

LUNA

Well, I set aside my whole evening for a rehearsal that I didn't even rehearse at, so I got time if you want to stick around.

PARKER

Could I?

LUNA

If you don't mind running lines with me after.

PARKER

It's a deal.

*LUNA and PARKER exchange a small smile
as the lights fade.*
